

## Who are those in PrezCon's Hall Of Fame

Each year PrezCon's leadership recognizes individuals who have achieved and assisted in PrezCon's Growth & Success

**Game Master** - A HoF GM is someone who has been willing to successfully coordinate game tournaments and make them grow throughout the years. This GM is know for their love, knowledge and skills of the games. The ability to help with the games is what they do and they do it well.

**Tournament Player** - Not necessarily a winner but a competitive player. These individuals have displayed years of consistency in returning to PrezCon and challenging others to participate in the tournaments. These individuals enjoy board games and it shows in their annual participation of many tournaments.

**Organizer** - not always noticed by the crowds, these individuals have rolled up their sleeves to make the annual PrezCon events a success. They may be members of PrezCon or third parties who have given of their time and talents to organize the convention.
